

RANKINGS

Athlete Profiles. Goals. Records.

The desire to make personal improvements is at the heart of competition. Coaches and Athletes can create head-to-head comparisons, view unlimited rankings, and track athlete progress as they achieve PR's and feel that sense of satisfaction and reward that hard work provides.

Head-to-Head Comparisons

Coaches can customize rankings to show results from selected teams, meets and athletes. Easily share links to these with others.

Unlimited Rankings

View athlete standings on a local, regional, state, or national platform. All official results are integrated into the rankings.

Track Progress

View athlete profiles and results for their season and career. Every improvement, Season Record and Personal Record is marked.

Go to www.athletic.net/tfx to view local, state, and national rankings.
